

A ROADMAP TO RAISING THE BAR

DATA & EVIDENCE

Do you know what data is available?
Do you know how to interpret it to bolster your story?
What data do you collect?
How do you measure? Do you publish it?

GOVERNANCE & FRAMEWORKS

Is your foundation solid?
Is your structure fit for the purpose you want to achieve?

IMPACT & ACCOUNTABILITY

What impact does your network have on members and organisation?
How do you know?

LEADERSHIP & OPPORTUNITIES

How is the leadership and development supported?
Are they effective?
Do they understand their roles?

PURPOSE & PRODUCT

Review your purpose. Is it clear?
Does it need amending?
What is the 'product' on offer?

EMPLOYEE NETWORKS

ORGANISATIONS

What does your own data tell your about different?
Where are the gaps? What do you publish?

What framework exists to foster the success of networks? If networks matter, treat them like they matter. How and when are Networks consulted?

What impact are the networks having in the organisation?
Are networks properly equipped and resourced?

How do your leaders support networks? Are network champions ticking a box? How closely do you work with network leaders?

What is your ask of networks in the organisation?
How are Networks held to account?
