

# Sustainability Webinar #StayingStrong: Changing the game for networks/ERGs

## DATA

... if it matters ;  
measure it,  
track it and  
publish it.

## GOVERNANCE

... how is your network  
structured and where  
does it sit within the  
organisation.

## INVESTMENT

... if any organisational  
activity retains volunteer  
status how can you  
calculate its true  
value?

## ACCOUNTABILITY

... by whom, for  
whom and to  
whom

## FUTURE PROOF

... invite external  
assessment and resist  
the temptation to  
mark your own  
homework.

## POLICY

Add your influential  
voice - nothing  
about us  
without us

## SCRUTINY

... sometimes one can  
lead by simply asking  
the right questions.
